

# SUPPORTED EMPLOYMENT

## Unlocking Opportunities for Career SUCCESS

Supported employment offers competitive work in integrated work settings for individuals with the most severe disabilities.

Opportunities include oversight and training needed to sustain paid work at or above the minimum wage by participants.

### BENEFITS

- Increased independence - having a job can boost self confidence and provide a sense of purpose and identity.
- Enhanced Social and Community Connections - going to work provides opportunities to develop relationships with colleagues, customers and service providers.
- Professional Growth - discover a world of possibilities!

### QUALIFICATIONS

- Medicaid participants must be 18 years of age or older.
- DD Waiver
